

Seventh Research Framework Programme

[Calls](#)

What is FP7?

FP7 is short for: Seventh Framework Programme for Research and Technological Development - European Union's main instrument for funding research in Europe between 2007 and 2013. 'Framework programmes' (FPs) have been the main financial tools through which the European Union supports research and development activities covering almost all scientific disciplines

Nanosciences, Nanotechnologies, Materials and new Production Technologies

Publication Date: 30 November 2007

Budget: € 29 300 000

Deadline: 12 August 2008

Themes: Coordination of Research Activities Food, Agriculture and Fisheries, and Biotechnology Nanosciences, Nanotechnologies, Materials and new Production Technologies Socio-economic sciences and Humanities Transport (including Aeronautics)

Energy

Publication Date: 29 April 2008

Budget: € 147 000 000

Deadline: 08 October 2008 at 17:00:00 (Brussels local time)

Transport (including Aeronautics)

Publication Date: 30 November 2007

Budget: € 29 300 000

Deadline: 12 August 2008 (Brussels local time)

Research Infrastructures

Publication Date: 06 May 2008

Budget: € 20 000 000

Deadline: 11 September 2008 at 17:00:00 (Brussels local time)

Science in Society

Publication Date: 21 April 2008

Budget: € 4 780 000

Deadline: 24 July 2008 at 17:00:00 (Brussels local time)

Information and Communication Technologies

Publication Date: 22 December 2006

Budget: € 65 000 000

Deadlines: 20 January 2009

Conferences

Joint CINEFOGFO, ISTR, EMES conference on the third sector and sustainable social change

From 9 to 12 July 2008, a conference in Barcelona will be held to exchange ideas and research findings about Civil Society and the Third Sector.
Organization: Roskilde Universitetscenter
Event web: <http://www.istr.org/conferences/barcelona/index.htm>

International symposium on flexible organic electronics

The first International Symposium on Flexible Organic Electronics (ISFOE) will take place in Halkidiki, Greece, on 10 and 11 July.
<http://nn.physics.auth.gr/isfoe>

International conference on nanobiotechnologies, Saint Petersburg, Russia

The second Saint Petersburg international conference on nanobiotechnologies NanoBio'08 will take place from 16 to 18 June in Saint Petersburg, Russia.

1st International AVIATION CO2 Conference

The conference will be held on September 8-10, 2008 in Budapest, Hungary. The event will address the most current policy and technology related issues in the aviation industry, and aims to focus on significant solutions of Sustainable Transport.
